From our Minister

Rev Peter Cornick

The Gift Day for the refurbishment of the Dovetail Centre is almost upon us – **Saturday 17th June**, in the morning. I do hope you will join me and view some of the proposed fittings and ideas. There will be opportunities to pray for the Gift Day in the week leading up to it (see page 4).

The planning group for this project have listened to the concerns and thoughts expressed at the Annual Church Meeting. Believe me, ideas have changed as conversations have developed and as we have reflected on the purpose of refurbishing and the costs involved. I know that all opinions have been heard and considered, but of course, you will understand we can't accommodate every individual's preference. I want to thank the planning group for their hard work and everyone for their contributions.

The Dovetail Centre was originally designed as a community resource; a place to offer hospitality; a place for sharing and listening. The whole church is now intensively used by church and community groups; this has grown rapidly in the last few years. Many community users are now taking coffee in the Coffee Room before or after their group; mothers love the space in the library area for children to play; we are developing a greater number of 'befrienders' in the morning, simply offering time to people.

Of course, we want to enhance the look of the Dovetail Centre. But new carpet or a coffee machine will not provide the Christian welcome – you will do that. I believe people come, simply to create a community. In the morning, people feel supported and enjoy meeting others; church groups value the development of faith and fellowship; community groups help people build relationships. The Dovetail Centre provides all this – it is a unique attribute of our church. May God bless this dove-tailing of relationships made, and the dove-tailing of church and community.

Stewards News

Anne Heath

As many of you will know, at the Church A.G.M. in April nobody felt able to offer to become a Church Steward. This makes me and others very sad. However, on a happier note two stalwarts, both named Barbara, have put their hats in the ring and have joined the team for a year. So many thanks to **Barbara Ackroyd** and **Barbara Hillier**.

Within the team other changes have also taken place. With no designated Senior Steward the role has been split into several components, shared between four Stewards in their final year. The contact in the Circuit Plan will be **Marilyn Pack**. If you wish to contact any of us, please speak to us on Sunday, during the week or with a note in the Stewards' pigeon hole in the office area.

Also the roles of Preacher's liaison, organising Readers, helping with Communion, sending out the letter to the Preacher and obtaining the Order of Service, have been shared out. In this time of change for our Church, we are also adapting to change within the Stewards Team. But we cope with it in great and positive spirit with communication being a key element.

A new initiative may be the introduction of the role of Worship Steward, and more details of this will be provided when we know a bit more ourselves. We continue to work together and share in the way forward in the life of our Church, thanking God for the opportunity to serve in this way.

Gift Day Prayers

Anne Heath

During the week **12th–16th June**, a time of prayer focusing on the Gift Day will be held in the Prayer Corner of the Church at the following times:

Mornings – check notice sheet

Afternoons – 4 pm

Evenings – 7.30 pm

Please join us for this short prayer time, on any of the above dates & times.

Circuit Prayer Fellowship

The Circuit Prayer Fellowship invite you to join them at Canada Common Methodist Church (SO51 6DH) on **Thursday 8th June** at 7.30 pm. Alternatively, Mike Hatch would be pleased to receive your prayer requests (8081 3108) or m.hatch239@btinternet.com.

Men's Fellowship

Don Turpitt (8026 7128)

Our annual Church Service took place on Sunday evening 7th May and was led by **Rev. John Archer**. The theme running through the service was based on friendship and the first reading from 2 Samuel 1: 23-26 was read by **Cyril Fullbrook**. This was an extract from David's Lament after hearing of the deaths of King Saul and especially his son Jonathan with whom there was great friendship.

An excellent rendering of "It is no Secret what God can do" was given by **Alan Gilbert** accompanied by Frances Thomas on the piano. John explained that this song was written by prominent American singer/songwriter Stuart Hamblen who underwent a Christian conversion after falling from grace due mainly to intemperance.

Two further readings were given by **Bill Mercer**, the first being Paul's letter to Philemon who was a prominent Christian and owner of a slave who had run away from his master. Whilst in prison Paul had met the slave who had become a Christian and Paul appealed to Philemon to take him back because of their common fellowship and faith in the Lord Jesus. The last reading came from John 15: 11-17 where Jesus gave his disciples the commandment "Love one another just as I love you".

This was the last of our main meetings until our A.G.M. on Wednesday 11th October, but in the meantime we continue with snooker and bowls and warmly welcome any men who would like to join us.

Women's Fellowship

Barbara Hillier (8026 6786)

2/5 **Susan Gulliver** told us that **Kenya Projects UK** has been active for about 15 years. During this time the team visited St Stephen's orphanage in Embu every two years and financed staff accommodation, a meeting room, playground equipment, a clinic and a borehole. The recent trip was their last, since the orphanage is now strong enough to stand on its own.

On this last trip they financed the renewal of all the electrics, a new generator, and also fitted out a wedding dress hire shop. They also painted the dining hall and playground as well as signage for the hire shop. All the children were given a new pair of school shoes, and an outing was organised to a local amusement park. It was sad saying goodbye knowing that the team would not be going back. They all left a bit of their heart there and hope to visit again one day.

9/5 Eighty people attended our **87th Anniversary**, and **Deacon Glenda Sidding** spoke about people she had met and places she had been on her Christian journey. Glenda has worked all over the country, and for 9 years was District Partnership Secretary for the Southampton Methodist District. While she was a Deacon in Reading, God spoke to her and said 'come on over', just as He spoke to Paul on his Missionary Journey as related in Acts 16.

She did what God wanted and travelled, on behalf of the District, to Macedonia, Sierra Leone, India and Ethiopia – going where she could help those most in need. The Sierra Leone members in Reading organised the fund raising, and our own Women's Fellowship also helped the District Partnership support the Manses in Sierra Leone, the wells for India, and knitted blankets for the Hamlin Fistula Hospital in Ethiopia.

The soloist at this Anniversary was **Rachael Hunt** who first started singing as a young girl with her mother. Rachael sang 'Wonderful World' and 'I Believe'.

16/5 **Rev Ruth Fry** told us about her life and her Christian journey. Ruth is from a Methodist family, attended Sunday school and was confirmed at fourteen. Ruth left home at eighteen to study at the Guildhall School of Music in London. After spending twenty-three years as a secondary school music teacher she felt God was calling her to ordained ministry. Ruth then had two years of training at the Queen's Foundation for Ecumenical Theological Education. Ruth, with her husband Adrian and son Harvey, moved from Birmingham to Winchester and she has recently completed the first year of her appointment as a probationer Minister responsible for the Methodist Churches in Weeke, Alresford and Kings Somborne.

23/5 **Erica Roberts** is an Anglican priest appointed to represent Southampton's elderly community. Together with Katy, a Baptist ordinand, and Faith, a girl on work experience, she reminded us that our later years can be fertile ones spiritually, as they were for Simeon and Anna in Luke's Gospel.

As a curate visiting care homes she saw a silent epidemic of lonely people, and God called her to work alongside them. We are all made in God's image, and this doesn't change as we grow older. Erica believes we can all flourish and has a passion to see older people knowing God's love to the very end of their days. We can grow old successfully, receiving and giving love, sustaining hope, finding peace and helping each other.

Older people constitute a significant body in society. With the ageing population come issues, but we should value old age. It is not a problem to be solved; it is a life stage with its own purpose and joys.

All are welcome to our meetings on Tuesdays at 2.30 pm in the Dovetail Centre:

6th June	Barbara's Auction
13th June	Armchair Exercises – Lilian Brimelow
20th June	The Work of the RNLI
27th June	District President of Methodist Women in Britain – Chris Stuckey
4th July	Some of our Favourite Hymns

Stop the Traffik

Barbara Ackroyd

A Saturday in May saw some of us standing outside Winchester Cathedral. Having attended the meeting in the Dovetail Centre led by Katie Warner, we had responded to be volunteers for the *Stop the Traffik* campaign in partnership with the U.N. Global Initiative to Fight Human Trafficking (GIFT).

This is nothing to do with cars or motorways but rather to raise awareness of human trafficking which is defined as the movement or recruitment of people by deception or coercion for the purpose of exploitation.

Modern slavery encompasses all forms of exploitation of people. This can be forced labour, domestic servitude, sexual exploitation, forced criminality and other forms of abuse. Modern slavery is the fastest growing international crime being the second largest source of income exceeded only by drug trafficking. It is driven by one thing – money.

Outside the Cathedral was a GIFT box, a walk-in piece of public art symbolising the way traffickers entice and recruit their victims. Ours focused on domestic servitude. Outside, the box was beautifully gift-wrapped in pink, like a present offering the gift of a new life. Inside, you were confronted with real life stories telling the grim reality into which victims of human trafficking were forced.

We were encouraged to engage with passers-by and talk about the real cost of human trafficking. It certainly made for many interesting and thought-provoking chats. I think we achieved our aims to raise awareness, empowering people to take action and to look for signs in their own communities.

For further information please visit www.stopthetraffik.org.

Boys' Brigade

www.1cfbb.com

We shall continue with the collection of recyclables. **Stamps** and **ink cartridges** and **mobile phones** are donated to Naomi House, and **ring pulls** are sent to the Ladies Co-operative in the Philippines to be used to decorate bags etc.

These can be brought to our regular meetings or placed in the box in the Church Linkway.

Covert Sale

Caroline Husain

The Church is holding its next fundraising effort on **Saturday 15th July** with a stall in St Maurice's Covert.

We will need lots to sell – unwanted presents, jewellery, good quality bric-a-brac, household goods, toys, etc. in addition to as many cakes and preserves as possible.

We will also need help with transporting everything to Winchester and selling it on the day. It's a great opportunity for fundraising, and good fun into the bargain.

If you can't help, do come along during the day and support us. Please contact Caroline Husain (8025 3863) for further information and offers of help and goods.

On **Saturday 10th June** the District Local Preachers and Worship Leaders Conference is being held at Church. If you are able to offer a short time to help serve refreshments Helen Cornick would be pleased to hear from you.

Spirit of Photography – Millions of photos are taken everyday across the world. Some are just snapshots. Others are more carefully crafted and can deepen our vision and sharpen our sense of what life is all about. In this workshop we will be exploring how our photography and our spirituality can inspire each other. **On Saturday 8th July** at the United Church, Jewry Street, Winchester SO23 8RZ from 10 am – 4 pm. A light lunch will be provided. **Please book in advance.** Contact: Adrian Roux rouxa@methodistchurch.org.uk.

Thank you

We have received a letter of thanks and appreciation from **Rev Peter Hutchinson** for the ‘activity experience’ gift voucher that was presented to him during his last Service at Church on 30th April. He assures us that he intends to put it to good use – probably learning to drive a tank! It will help him fulfil a long-held ambition to ‘borrow’ an Abbott Self-Propelled Gun and try a bit of target practice at eight miles range. He sends us his good wishes and assures us of his prayers for us as we continue to work for and minister to our local community.

In less than one week all the cushions in the Dovetail Centre now have non-slip fabric attached to the underneath. Thank you to all who helped.

Derric Webster thanks all his friends at Church for their good wishes and kind thoughts during his recent spell in hospital, and his thanks also to the Pastoral Team for their visits and for keeping him up to date with Church matters.

Games Afternoons

Christine and Colin Davies

Do come along on Monday afternoons between 2 pm and 4 pm to enjoy the board games sessions. No previous knowledge of the games is necessary. Everyone is always made welcome.

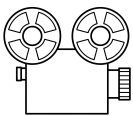

Eastleigh Basics Bank

Denise Whittington

As you know, Chandler's Ford Methodist Church has been supporting our local food banks for many years. Firstly, the Winchester Food Bank which was set up in 2004 and then the Eastleigh Basics Bank from 2011.

In the past, our Church members have served as trustees and volunteers for the Winchester Food Bank and currently both Chris Goodhead and I are involved in the management of the Eastleigh Basics Bank. Until now, all food donated by our Church has been divided equally between both food banks. Although the food banks are independent of each other, they were both set up by local churches and have the same objective, "to share the love of God with our neighbours" – to that end they sometimes work closely together.

When talking recently with our friends at Winchester about concerns over the recent drop in food donations to Eastleigh, they kindly suggested that as they had the "greater pool of donors", future food donations from Chandler's Ford Methodist Church should go solely to the Eastleigh Basics Bank. We are very grateful to the Winchester Food Bank for their understanding, and encourage all our Church 'family' to continue to give what food they can, to allow us to maintain this very valuable service to our community.
